Attention Woodlake Residents!

Due to the COVID-19 epidemic, we are reaching out to our Woodlake Residents to help contain the spread of the virus and support those most at risk.

The WPOA's Hospitality Committee will coordinate efforts to link residents who are vulnerable/self-isolating and in need of assistance with neighborhood volunteers. This help may be in the areas of providing transportation, running errands, providing resource information, and communication support (text, email, social media).

If you need assistance, know of a neighbor in need, or wish to volunteer please contact the WPOA Hospitality Committee at: Secretary_WPOA@outlook.com or phone 254 493-2465.
