

Sherry Lovorn

I have been a resident in WoodLake since January 1993; one of the first three homes built in the Cliffs subdivision. As a U.S. Army spouse of 31 years I've come to appreciate that volunteer involvement enhances a sense of community. I've enjoyed and took great pleasure in volunteering and later employment with the Belton Independent School District, providing Special Olympics support, involvement in various Fort Hood outreach activities and as a leader in Army Unit Family Support Groups. As a mother and wife, I've been blessed to have raised our four sons in such a wonderful community. For years, others have shouldered the responsibilities of our Property Owners Association (POA) as I concentrated on volunteer work supporting our children's numerous activities (Sports, Band, Theater, Academic competitions, PTA, Scouting, Church Choir). Now is the time for me to "step up" by being a candidate to serve as a member of the Board of Directors for our POA; sharing the burdens as an active and compassionate member of our community family. Previous Board experience: President, Protestant Women of the Chapel (PWOC) Panama; President, PWOC Nuremburg, Germany; Board Member, Sparta Elementary PTA; Historian, East Bell County Aggie Moms; Historian, PWOC Ft. Lee, VA.
