Subject: Woodlake Community Announcement

Woodlake Residents,

It was an honor and pleasure to provide a temporary website for the BOD and the community. As you are aware, the new budget's approval in the October 4th BOD meeting allocated funds for a new website. With that action, I no longer need to incur the monthly costs to maintain a website solely. The website I designed and maintained, Woodlake-POA.org, is currently unpublished. The BOD is presently hard at work on a new website that is wholly-owned and operated by the BOD. I believe it would be a fantastic idea for the community to have input on the new website's design.

A website "For the Community, Designed by the Community" think of it as a community-wide craft project. Please present any ideas you would like to incorporate into the new website to Sherry Lovorn at secretary_wpoa@outlook.com. I am excited to see which wonderful ideas make it into the finished product.

Regards,

Duane Walker
Vice President

Woodlake Property Owners Association
Section One, Inc.
